

“ One day training program on Design and Simulation of Semiconductor Devices using Visual TCAD” on 02/08/2017

The department of Electronics and Communication has conducted seminar and hands-on training program on design of semiconductor devices and its simulation using Visual-TCAD for the faculty of ECE and EED on 02/08/2017, 9.30 am to 1.00 pm and 2.00 pm to 4.30 pm in DSP lab. EC Dept. The session was conducted by Mr. Shashikant Lahade(Asst. Prof. ECD) and Mr. Pravin Pardhi (Asst. Prof. EED). From ECE and EED 21 faculty member have attended the program.
