

A One Workshop On “GRIHA Sustainability Check”

Workshop on GRIHA (Sustainability) Feasibility Assessment by Ar. Manisha Gotmare, at Architecture Department, KITS, Ramtek

Archi-Association has organized ‘A Day WORKSHOP on GRIHA Sustainability Check’ for Third and Fourth Year students of B. Architecture by the Architect Mrs. Manisha Gotmare on 21st Sept 2019 at department of Architecture. Madam is a professional consultant to GRIHA for government buildings in Nagpur Region. In the beginning there was a presentation by an architect on “Experiences in GRIHA Feasibility Assessment for Existing and New Buildings”. It was followed by discussions on the work done by the students on Assessment. She has appreciated the work by students and guided them further for the future endeavors. The Principal of the institute, Dr. B. Ram Rathan Lal has presented a memento honoring the guest with greeting. All the faculty members of Architecture were present during the workshop.
