5.4.1 There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

Response:

The KITS Alumni Association aims to link the alumni to the institution, develop synergistic plans to support the institution in achieving its vision and enable the institute to add value to all its stakeholders. The Institute established an alumni cell in 1989 to maintain a good linkage between the institute and alumni. The Alumni Association was registered with register no. Nagpur/0000264/2023. The main objective is to enroll all alumni as members of the association and facilitate active participation of the alumni in the related activities, events, and initiatives of the Institute. The alumni association helps in building a network of alumni and helps in being in touch with the corporate world. Every year Alumni meeting will be hosted by the Alumni association and supported by the Management where the alumni from different branches are invited to share their views and suggestions on the scope of their respective courses and also to create awareness about the professional world. This paves an opportunity for the alumni to meet other alumni and cherish their past experiences and moments. The Alumni Association provides an avenue for sharing their intellectual, career and professional experience not only with the teachers but also with the present students.

The following are the activities carried out with the help of Alumni.

Curriculum Enrichment: Alumni are involved in curricular gap identification and development of value-added course modules.

Interactive Sessions: The alumni association helps in holding interactive sessions to motivate current students about employability and educational opportunities abroad. They share their opinions on social networks, blogs and forums.

Industry connects: Alumni help in establishing MoUs with industries. The alumni, those who are entrepreneurs, arrange industrial visits to the students and provide inputs on how to start a new venture to turn them into job providers. The Alumni extend their support for student internships.

Research and consultancy: To encourage the students of the Institute and members of the Association for Research and Consultancy to work in various fields like Engineering, Computers, Industrialization, etc. Alumni help the departments by directing the entrepreneurs to carry out consultancy works in various sectors of the engineering stream.

Mentorship: Alumni play an active role in voluntary programs like mentoring students in their areas of expertise. To utilize the rich experiences of old students of the Institute for the benefit. To assist the students in securing suitable jobs.

Placements/ References: The alumni network of an Institute is one of the biggest sources of placement opportunities for students. Alumni can help students in referring to companies and get placed at their respective organizations. The Alumni conduct mock personal interviews and job-oriented training for the existing students of the institute.

Generosity: The association also plays a significant role in contributing scholarships to deserving students. Another activity of the Alumni is that they donate plant saplings to maintain the institute's environment green. A major visible additional activity of the alumni is providing donations to the Institute.

Administration: Some alumni are members of IQAC and provide inputs for imparting quality systems adaptive to recent trends and requirements of the industry.
